Alexandria Christian Association—General Prayer Meeting in the Second Presbyterian Church at 4 o'clock, p. m., and every evening during the coming week in the Lecture Room of the Baptist Church, at 4 o'clock. A cordial welcome will be given to all who will attend upon these means of grace.

No MEETING.—In consequence of the humidity pervading the entire fluid surrounding this terrestrial globe, the immaterials could not mingle last night, and the public, like some of the Black spirits, who were not posted, will be left to grope in outer darkness, until another Friday night. By the dim flicker of a solitary gas jet, a few of the Black spirits could be discerned in the thick darkness of the night, hovering around the Lyceum building, anxiously awaiting the appearance of the new apostle of light, but neither the apostle nor the light appearing, heavy with disappointment, and more than ever assured of the familiar aphorism, "white man very uncertain," they left, and silence and gloom reigned in all that quarter.

THE POTOMAC BRIDGES.—Contrary to the expectations of those who are familiar with the floods and freshets of the Potomac, the rain of yesterday and last night, had not up to twelve o'clock to-day, caused any further injury to the Long and Railroad bridges over the river than that received by those structures on Tuesday last. The work of repairing the Railroad bridge will be commenced at once, and prosecuted with vigor by the present managers of the Washington, Alexandria and Georgetown railroad, who have already a large number of hands employed in this city loading cars with lumber with which to fill the hiatus in their road.

RECOVERING.—We are pleased to state that Mr. Wm. H. Carlin, the gentlemanly and accommodating conductor of the passenger train on the Loudoun and Hampshire railroad, is rapidly recovering from the effects of the severe injuries he received at Herndon station some days ago.

The little daughter of Mr. Lewis Brill, who was so severely burned last month that her life was despaired of, is mending slowly, and hopes are now entertained of her ultimate recovery.

The pistol shot received by Mr. Tim Leonard, last December, has nearly healed.

THE RIVER.—Between here and Washington there is a broad track open, and in it the tug boats Gov. Curtin and Katie Wise, in charge of Messrs. R. W. Wirt and H. R. Hart, of the Orange and Alexandria Railroad, are making trips, transporting passengers and freight between the two cities. About one o'clock to-day the Keyport passed by here on her way to Aquia Creek. She made right good time while coming from Washington to this city, but below here, where the river, as far as the eye can reach, is one unbroken sheet of ice, her progress was very slow.

THE MARKET, this morning, was quite well supplied, and the attendance was large. Butcher's meats, beef, veal, lamb, and pork were at former prices. There was a good deal of poultry. Turkeys were selling at from 19 to 20 cts. per lb. Chickens from 40 to 75 cts. a piece according to size. There was no change in the price of vegetables—celery 5 cts. per small bunch. Butter from 35 to 45 cts. per lb., according to quality. Eggs from 40 to 50 cts. per dozen. There was a few fresh fish on the fish benches.

LOCOMOTIVE AND CAR FACTORY.—We understand that arrangements are on foot by gentlemen of this city, having for their end the reopening of the extensive Locomotive and Car Factory, at the intersection of Wolfe street with the stand, formerly known as Smith & Perkins foundry, and the speedy resumption, on a large scale, of operations there.

LIGHTED UP.—"The Brown Shed" the temporary passenger depot of the Orange and Alexandria Railroad, has, since the through passengers are received and deposited there, been supplied throughout its entire extent with gas by Mr. Wm. Cogan, and last night was brilliantly illuminated.

FINE CATTLE.—One hundred head of fine cattle, a part belonging to Mr. Gheen, of Alexandria, and the remainder to the Messrs. Trolinger, of Pulaski county, were brought down on the Western train yesterday, and carried North over the Orange road.—*Lynch. News.*

ROBBERY.—The meat house of Mr. John P. Emerson, near the Orange and Alexandria railroad depot, was entered by thieves last night, and robbed of a considerable quantity of bacon.

ROADS.—The roads in this neighborhood, and we suppose in the whole State, are in such a terrible condition as to be almost impassable except by the lightest description of vehicles.

ST. VALENTINE'S DAY.—St. Valentine's day, once so universally observed in the South, draws near. It occurs on the 14th of the present month.

POLICE REPORT.—There were no cases worth reporting either at the Mayor's or Magistrate's Office this morning.

BANKS.—The Valley "Virginia" says as high as forty per cent. interest has been charged by the National Bank in Staunton. We don't presume this is much above the rate demanded by other Banks in Virginia, if even so high as some of them.—*Lynchburg News.*

RANDOLPH MACON COLLEGE, VA., IN FULL OPERATION.—This time-honored Institution is again in successful operation, with a full Corps of Professors. The chairs of the several schools are filled by able and experienced men. There are five literary and scientific schools, viz: Of Ancient Language, Mathematics, Chemistry and Natural Philosophy, Moral Philosophy and Modern Languages. In addition to the above, the Board of Trustees have established a School of Commercial Science, with the view of giving to the young men of the country a Business Education.

To graduates in all these schools, Diplomas are granted, and the degrees of Bachelor of Arts and Master of Arts are conferred upon students who complete a course of study. The high grade of scholarship, formerly required, is still maintained. We have a full Chemical and Philosophical Apparatus for the illustration of the subjects taught.

The location of the College is unsurpassed for health and general utility. It is situated on a high plain, between the mountains and the seaboard; and during a career of thirty-three years, and with thousands of young men in attendance, there has never been a death arising from malaria or other local cause. We profess to educate young men not only mentally and morally, but physically also.

Board is sixteen dollars per month. Tuition from \$10 to \$20, according to the number of schools attended. \$250 will cover the expenses of board, tickets for three schools, matriculation and contingent fees for one month. Rooms in the College free of charge, but the student provides his own furniture, fuel and lights. Young men who are preparing for the ministry and those disabled by the late war who are unable to pay their tuition, will be allowed to attend any or all of the schools free of charge. This College is situated near Boylston, the county seat of Mecklenburg county, Va.

Arrangements are made to transport students from Ridgway Depot, on the Raleigh and Weldon Railroad, whilst a conveyance leaves Ronoke station, on the Richmond and Danville Railroad, on Mondays, Wednesdays and Fridays, at the Wolf Trap Depot, on the same road, Tuesdays, Thursdays and Saturdays.

We solicit a liberal patronage from Maryland, Virginia and North Carolina, from the West, South and Southwest.

Students will be received at any time. The session will commence on the 6th day of February next. Young men will be received and prepared for the College proper. For further particulars address the undersigned at Boylston, Mecklenburg Co., Va.
